

Woodlore Shutters

The world's best-selling plantation shutter. Offers all Australian homeowners an affordable quality shutter with a "trusted pedigree" from the world's leading shutter manufacturer.

Enduring good looks, trouble free operation and safe for children and pets.

Crafted specially for your home and designed for long term performance and value.

LVL Core provides a more structurally sound shutter compared to competitors.

Finished with a hardwearing medical grade polypropylene coating. Resistant to scratching, chipping, cracking, fading, staining and heat damage.

Provides excellent thermal insulation for your windows and doors. Reducing your energy costs and keeping your home cooler in summer and warmer in winter.

Features Norman's invisible Easy Tilt louvre system. No unsightly and clumsy "hidden" tilt rods.

Available in a range of 9 popular solid colours and 5 louvre sizes from 47mm to 114mm.

Cover larger spaces with Woodlore - maximum panel width is 914 mm.

Supplied with Norman's exclusive "No Questions Asked" 5 Year Warranty.
